

Safety Data Sheet

Scarper Clear

According to EG Directive 91/155/EWG

Date: 26.07.2016

1. IDENTIFICATION OF SUBSTANCE/PREPARATION AND COMPANY:

Product name: Scarper Clear
Chemical name:
Manufacturer: PestTrappa
Whittington Way
Chesterfield
S41 9AG
Tel.: 01246 264635

2. COMPOSITION/INFORMATION ON INGREDIENTS:

Chemical characterisation:

Active ingredients:

Substance	CAS-No.	Hazard symbol	Weight %	Classification	R-phrases
Flavour oils			> 10%		

3. POTENTIAL HAZARDS:

Hazard identification :

Hazards for humans and the environment: not harmful

Water harming identification:

4. FIRST AID MEASURES:

General advice:

After eye contact: Immediately rinse eyes about 15 minutes with plenty of water. Attain medical attention.

After skin contact: Wash off with soap under running water.

After ingestion: Flush the mouth with plenty of water, drink a lot and call immediately a physician.

After inhalation: Ensure supply of fresh air. Attain medical attention.

Medical advice:

5. FIRE FIGHTING MEASURES:

Suitable extinguishing media: Not combustible

Unsuitable extinguishing media: Water

Hazardous products of combustion:

Protective equipment:

6. ACCIDENTAL RELEASE MEASURES:

Personal protection:

Environmental precautions:

Methods for cleaning up/absorption:

7. HANDLING AND STORAGE:

Handling:

Safety Data Sheet

Scarper Clear

According to EG Directive 91/155/EWG

Storage and containers: Not frost resistant

8. EXPOSURE CONTROL AND PERSONAL PROTECTION:

Substances with limit values to be controlled regarding the workplace:

Work hygiene and personal protective equipment:

General protection and hygiene measures:

Keep away from food, beverages and animal food.

9. PHYSICAL AND CHEMICAL PROPERTIES:

Form:	fluid	Water:	
Colour:	orange	Viscosity:	
Melting point: (°C)		pH value:	
Boiling point: (°C)		Flash point (°C):	
Relative density:		Explosion limits:	
Vapour pressure		Decomposition temp.	
Density:		Distribution coefficient:	
Bulk density:		Further data:	

10. STABILITY AND REACTIVITY:

Substances to be avoided:	No pyrolysis
Hazardous decomposition products:	
Further information:	

11. TOXICOLOGICAL INFORMATION:

Active agents	Nature	Value	Species
No datas available			

Acute toxicity:

Skin sensitization:

Primary irritation:

12. ECOLOGICAL INFORMATION:

Information on elimination:	
Aquatic toxicity: WGK	1
Bird toxicity:	

13. DISPOSAL RECOMMENDATIONS:

Waste material key:

Product:

14. TRANSPORT INFORMATIONS:

Road/rail transport:

According to GGVS/GGVE:

ADR/RID Class:

Number/letter:

Technical name:

Classification code

No dangerous good

Packaging group:

Safety Data Sheet

Scarper Clear

According to EG Directive 91/155/EWG

Maritime transport: According to GGV:
IMDG class:
page:
UN No.
Packaging group:
EMS No.:
MFAG:

Air Transport: IATA/DGR class :
UN/ID No. :
Packaging group :

Further information:

Transport labelling: No dangerous good

15. REGULATORY INFORMATION:

Categorisation and identification according EG-guidelines:

Symbol hazards identification:

Hazard identification:

Labelling:

R-phrases:

S-phrases:

German water Pollution Class:

VbF-class: 1

16. OTHER INFORMATION:

The previously mentioned data meet the present state of our knowledge and experience. They describe our products with regard to quality and application, do not contain however any guarantee of properties. For warranty and responsibility our general terms and conditions of sale are valid.

The Preparation must be handled according to the manufacturer's instruction for use. Improper use may cause injury to health.
